Email Disclaimer

The information contained in email messages from IceBridge Financial Group, LLC (IFG), or any of its affiliates, may be privileged, confidential, proprietary, or otherwise protected from disclosure. If the reader of this email is not the intended recipient or an authorized representative of the intended recipient, you are hereby notified that any use, review, retransmission, dissemination, distribution, copying, printing, or any other use or action taken in reliance upon this email is strictly prohibited. If you have received this email in error, please notify the sender immediately by replying to this email message or by telephone at +1(561) 778-5060, and delete this email and any attachments from your system. The contents of any email and its attachments which are sent by or to the sender are subject to monitoring, review and archive.

Non-binding disclaimer

This email does not constitute a commitment or legally binding agreement by IFG unless confirmed by a fully executed written agreement. If verification is required, please request a hard-copy version.

Protect your privacy

For your protection, please do not include account numbers, Social Security numbers, credit card numbers, passwords, or other non-public information in your email. For more information regarding how we protect client information, please ask your Financial Advisor for a copy of our Client Privacy Notice.

We do not accept orders via email

Please do not transmit orders or instructions regarding your IFG account by email. For your protection, IFG does not accept and act on such instructions. Similarly, IFG does not accept trading instructions via voice mail, text messages, instant messaging, or facsimile. Please speak directly with your Financial Advisor if you need to give instructions related to your account.

Please refer to your official records

The information provided in email or its attachments is not an official transaction confirmation or account statement. If you are a IFG client, your official account statements are mailed to you, or made available to you electronically, if you have chosen that option.

Potential virus transmission

This email may contain viruses that could infect your computer. We strongly recommend using a malware scanner to check the contents of this email and its attachments, if there are any. Since emails can be lost, intercepted, or corrupted. Although taking reasonable precautions to ensure no viruses or malicious software are present in this email, the sender and IFG cannot accept responsibility for any loss or damage arising from the use of this email or attachments, and accepts no liability for damages caused by viruses transmitted via this email.

We retain and protect e-mail messages

In accordance with industry requirements, standards and practices, IFG retains email messages for a period of time. Those messages are kept confidential in accordance with IFG's privacy policy and are accessed and used only where justified.
